

General Manager

Description

Tecniqua is seeking an experienced and strategic General Manager to lead operations, drive business growth, and ensure organizational effectiveness. The ideal candidate will bring strong leadership, business acumen, and a proven track record of managing cross-functional teams in the IT or technology sector.

Responsibilities

- Oversee daily operations, departments, and staff performance
- Develop and implement business strategies to achieve company goals
- Lead budgeting, forecasting, and resource planning
- Ensure operational efficiency, quality standards, and customer satisfaction
- Build and maintain strong relationships with clients, partners, and stakeholders
- Monitor industry trends and identify growth opportunities
- Report to senior leadership on company performance and KPIs

Qualifications

- Bachelor's degree in Business Administration, Management, or a related field (Master's preferred)
- 7+ years of experience in a senior managerial role, preferably in IT or tech
- Proven leadership and team management experience
- Strong financial, operational, and strategic planning skills
- Excellent communication, negotiation, and decision-making abilities
- Ability to adapt in a fast-paced, tech-driven environment

Job Benefits

- Competitive salary and performance-based bonuses
- Health insurance and wellness programs
- Flexible working hours and hybrid work options
- Professional development and leadership training
- Dynamic, innovation-driven work culture
